Court Etiquette

Participation in badminton should be fun, safe and fair!

Everyone - yourself, coaches, match and club officials, other players, participants, spectators and opposition - should act fairly and respectfully towards each other.

Always return the shuttle to the opposition!

Respect your team mate – remember they are trying their hardest to play their best and to not let you down!

Encourage your team mate – lift their spirits when they are not playing at their best & you will make a positive contribution to the game!
