

Sturt Badminton Club Inc.

Social Tenpin Bowling Activity

It's been a few years since we've held a Tenpin Bowling Activity so we thought it was about time we ran it again and hopefully everyone can join in and have some fun.

The club has been able to organise with the bowling centre to get the best deal that they can offer which will be partially subsidised by the club to get two games for \$10 per club member. Family are welcome to take part and enjoy the fun ☺.

There will be some fun awards presented at the end for some friendly challenges/achievements ☺.
